Distribution of scores

The IB Diploma Programme - the BIS way!

Nurturing our students towards fulfilling their unique potential...

- Using active learning approaches within small class sizes
- Developing confident learners with a strong sense of authentic individuality
- Developing student readiness for higher education by focusing on learning how to learn
- Promoting lifelong curiosity, reflection, imagination and creativity
- Creating a learning environment which both supports and challenges, and where students and teachers collaborate within an ethos of trust and mutual respect
