

**Brief about the Institution / Platform:** BLIX Robotix was born from the stables of Zephyr Toymakers Pvt. Ltd., one of the largest Indigenous toy manufacturing company who owns brands like MECHANIX, RED Bus Toys and has partnered with Disney and Oxford University in the past. Impacted the lives of over **2 crore children** across the world and has won more than **50 awards** (Including the prestigious “Make In India” award 2 years in a row).

With more than 25 years of experience in designing and manufacturing STEM products and being one of the largest suppliers to robotics institutes, we used our experience to build the perfect offering that would excite a child in exploring their creativity and curiosity while having fun.

Blix Robotix courses are detailed in learning perspectives. Through BLIX; we develop a child's interdisciplinary knowledge and help build scientific temper and evident-based thinking. Therefore, balancing the school curriculum with practical learning methodology
